Arctic Securities ASA
Haakon VII's gt. 5
Oslo
Norway

Completion: 2008

Products:
invitation, open up

Arctic Securities is a Norwegian investment bank established in 2007. The company now occupies offices on three floors, which were designed to be very open and with many combination zones. Lounges, bars and cafeterias serve the employees as friendly places to rest and relax in an exclusively designed setting. Around 120 workstations were furnished with Sedus furniture.
